So busy at

Meole Brace

MEOLEBRACE Women's Institute had another of its "bumper" meetings on Monday night, which included a talk on eating the right foods, by Shropshire farmer and a presentation by the boys' band of Harlescote Secondary School.

"We always have tight programmes like this," said the president Mrs. M. F. Read. "They are planned 12 months in advance.

This certainly seems to have a good effect on the membership, which stands at over 120. There were around 90 at Monday's meeting.

Mrs. Read went through the business very quickly so that members could get down to the real enjoyment of the meeting.

She announced that on June 8, the members produce and handicrafts show would be held, and

on June 29 there would be a joint meeting with Nobold W.I. for a concert by the Oswestry Orthopaedic Hospital choir.

Mrs. Reid then introduced the guest speaker, Mr. A. Hollins of Fordhall Farm, who talked about the natural fruit, salad and cheese products produced there.

He invited members to taste a delicious selection of yoghurts which included raspberry and red wine, lime and lemon, blackcurrants and liquers and pineapple and banana flavours.

The key to fitness, he said, was eating the right foods.

After refreshments, the members were entertained by the boys band, who played a selection of marches, waltzes and songs from popular shows. Their conductor was Mr. J. J. H. Edmunds.
