

Birthday Parties at Fordhall Organic Farm

Fordhall Forest Fun: Celebrate your party outside in the Fordhall Forest. Enjoy a woodland experience, with woodland games, crafts and a camp fire. (ages 5-100)

Farmer's Party: Take an age appropriate tour around the farm. You could feed the pigs and collect eggs from the chickens. Look after the wildlife on the land and plant a seed to grow your own vegetables. This activity will change with the seasons. (ages 5-10)

Willow Weaving: Use willow to make stars and wands or bags and baskets to take home and treasure. This is an indoor party and numbers may be limited due to space. (ages 8-100)

Greenwood Working: Use ancient techniques to make swords (or light sabers) and write on wood with pyrography. Fire pit for marshmallow toasting also available. (ages 10-15)

Pizza Party: Make and bake your own pizzas in our clay oven, pick your own salad to go with it from your surroundings! Everybody can get stuck in to this outdoor party in our Community Garden. (ages 5-100)

DIY Farm Party: Use the farmtrails, fields, picnic area and woodland for your own celebration. Please leave the farm as you found it for other members of the public to enjoy. (ages 0-100)

Your party doesn't have to end after it gets dark. You can spend the night on the farm in our Mongolian Yurts. (Sleeps 6. BBQ, Compost Toilet and Camping Shower available)
